- Reserve
- Saskatchewan (1976) Agreement
- Entitlement Band or First Nation
- Date of First Survey

1. _____ A group of First Nations people for whom a reserve was set aside by the federal government.

2. _____ Used instead of band or sometimes interchangeably with band to refer to a group of original occupants.

3. _____ Land that has been set aside for the exclusive use and occupation of a band/First Nation by the federal government because of Treaty obligations or for other reasons.

4. _____ Land that belongs to the federal or provincial government.

5. _____ A negotiated agreement to fulfill Treaty land debt using a First Nation's population as of 1976 and using available provincial Crown land to fulfill the debt.

6. _____ The date when the government first sent a surveyor to determine the population of a First Nation and establish the boundaries of the reserve based on the number of acres per person provided for in the Treaty.

7. _____ An agreement to rent property for a period of time.

8. _____ The difference between the amount of land a First Nation received when their reserve was first surveyed and what they should have received based on their population at this time.

9. _____ A First Nation that did not receive the amount of land they were promised under Treaty.
